

Upcoming AHA Classes Fall 2016

The Delaware State Fire School provides regularly scheduled American Heart Association (AHA) BLS Provider CPR/AED classes and Heartsaver First Aid CPR/AED classes at our divisions in Kent, New Castle, and Sussex counties. Depending on availability and holidays, these courses run most months during the year on Fridays and some Sundays.

These courses are taught by certified American Heart Association Instructors, and you will receive an AHA card upon successful completion of the course.

[Full course descriptions can be found here](#)
